**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I just free like this is a unfair competition. Yes there is few big company can pay that but over thousand and thousand of company and consumers could not pay that Hundreds of dollars.

Today are fair price. If it began control, you could kill many of us.

Also not every where, I could said over 70 percent in USA, still haven't have fiber line.

David Au
